RE: **Local Conventions and Outings**

Per your request, attached is a list of events we participated in during 1996 with plans to continue in 1997.

During my work with and discussions with managers in the Buffalo Region, we will evaluate each event for 1997.

- **Through Discovery Process we will Determine:**

  * Level of Partnership
  * Type of "Player" in our Markets (A,B,C,D)
  * Will it help us Sell more Cigarettes

Bottom line, we will determine if the event/cost is a need/benefit for R.J. Reynolds and if not, we will have deletions to the attachment.

Sincerely,

Bill
